**Dear Sir/Madam,**

**Each year one of the oldest and best attended single day festivals on Long Island occur less than a ten minute drive from your place of business. This Aug 26th 2017 will be the 57<sup>th</sup> year of the Long Island Scottish Festival and Highland Games and is once more being held at Old Westbury Gardens. This event is also a main income producer for Old Westbury Gardens.**

**The income from the festival enables us to run various educational programs throughout the year and since we are a non-profit agency (501 (c) 3 and NY State tax- exempt organization excess funds are distributed to various local charities including Island Harvest who also provide volunteers to help us run our festival.**

**Most of the 7000+ adults including seniors and children who attend our festival each year live locally and are most likely your customers. Seniors and children are admitted at a discount.**

**In order to keep the festival running each year we rely on sponsors and contributors. We would like to give you the opportunity to become part of our festival in any way you would feel comfortable. With your business being such an important part of the community it just makes sense that you help support this neighborhood event.**

**Please review the enclosed materials which include a copy of last year's program along with a description of the various levels of sponsorships/ads/donors etc available. Additionally we have a raffle where you can donate gift cards, baskets or other merchandise etc, please check our website at [liscots.org](http://liscots.org) for more information.**

**In closing we thank you in advance for your kind consideration and if there is any need for further information on this event we are always available (locally) to meet with you.**

**Sincerely yours. Peter Burnside, Sponsorship Chairman.**
